

	<h2>POLITICA PER LA QUALITÀ</h2>	<p>POL rev. 02 pag. 1 di 1</p>
---	----------------------------------	---

GRIMET CHROMED BARS s.r.l. and GRIMET s.r.l. manage their activities with the aim of continuously improving their performance.

The companies define their Quality Policy as:

- a fundamental reference for all internal staff and for all those outside the companies who have dealings with it;
- information to make people understand the principles in which every company action is oriented and to which everyone must adhere in relation to their role and responsibilities;
- mission statement that GRIMET CHROMED BARS s.r.l. and GRIMET s.r.l. have given themselves on the subject of Quality, expressing the underlying motivations, the willingness to pursue the objectives set, the awareness of the results to be achieved and the responsibilities to be assumed.

In particular, GRIMET CHROMED BARS s.r.l. and GRIMET s.r.l., use a Quality Management System that complies with international reference standards, based on the following fundamental elements

- guaranteeing the quality of customer service and the continuous improvement of their performance;
- monitoring processes and the entire system to ensure their proper functioning and optimisation, implementing all possible actions for the continuous improvement of performance
- provide the necessary human and instrumental resources and constantly verify the improvement of quality performance, updating the Quality Management System when necessary;
- disseminate the quality culture within the company through appropriate training actions;
- verify and periodically review the objectives and goals of the Quality Management System, adapting them to changing legislative references and customer requirements, with a view to continuous improvement of the quality standard;
- involve suppliers, external organisations in order to adopt a Quality Management System and operate in full compliance with legislation;
- adhere to voluntary technical standards, regulations, agreements and initiatives, not required by mandatory standards.

The Quality Policy is disseminated to all internal and external personnel and periodically updated in relation to changes in the organisation and as part of review activities by the Executive Board.
